#### D. EXERCISE 6

English for Informatics 1: Seventh Edition

Can you find more sentences using this tense? Write them down here:

- Students can also enroll for courses via the website and parents can also download official reports
- With a built in camera you can send pictures and make video calls in face-to-face mode.
- Travel agents use computers to find out about the availability of flights, prices, times, stopovers and many other details

Look at the explanation about Simple Present Tense:

#### E. EXERCISE 7

**Exercise 7:** Use present simple to write sentences that describes four different functions of present simple tense.

Exercise 7

1. I studied at a technology company
